Teaching Tuesday is for **ALL** Carrollton basketball players. Grades K-8. From 3-4pm our HS players will assist our NextGen Warriors in fundamental work including ball-handling, footwork, drills, and shooting. There is no cost.

Each court/drill will be skill and age appropriate. We would love to get as many youth involved in the summer in the gym. Please see our webpage below for updates on the summer schedule/calendar.

The Thursday summer league is 7pm-9pm. Our MS coaches will attend and help arrange rides. The Huggins camp is \$185 and teams will play over 30 games for the weekend. Please make checks payable to Carrollton Roundball and turn in to Coach Aukerman at the BH Middle School or with you on f.

Check the twitter @carrolltonbball and our webpage for possible changes to open gyms in May and June. We want to share our love of the game with all of the youth in the program.
