

Teaching Tuesdays
June 5th, 12th, 19th, 26th
3:00-4:00pm in the BH gym
(and the HS gym, if room is needed)

Come get **FREE** basketball guidance from the staff and players in the Carrollton Basketball program.

We would love to invite any K-8th grade student, boy or girl, to come and learn some of the fundamentals and engage with current players on the team in drill work and scrimmage play. It is a free event on each Tuesday in June at 3pm. It is an hour that Coach Aukerman and his staff would love to pack the gym with the next generation of Carrollton Hoopsters.

Please bring your own ball, if you have one, for individual skill work. We will also provide some. The gym will be sectioned off into age groups, and each group will have personalized help from current players and staff.
